Who or What is Family Radio?

Family Radio's official name is Family Stations, Inc. It is an altogether unique non-profit corporation begun in 1958 with the express purpose of sending the Christian Gospel into the world. It is a worldwide non-commercial ministry supported entirely by gifts from its listeners. Its President and General Manager, Harold Camping, is a full-time volunteer, receiving no salary or other financial compensation. In reality, Family Radio regards the Lord Jesus Christ as its Chief Executive Officer because the ministry operates altogether under the authority of the Bible. The Board of Directors and all of its employees are regarded as servants who honor Jesus Christ as their King.

We at Family Radio constantly endeavor to send the teachings of the Bible throughout the world as extensively and as intensively as possible. Therefore, we broadcast in many of the major languages of the world so that as many people as possible can hear the true Gospel in their own language.

Family Radio offers in English and Spanish a correspondence School of the Bible. Anyone may join free of charge to receive instruction in courses including Bible Hebrew, Bible Greek, and many books of the Bible.

At Family Radio, we have an intense desire to be altogether faithful to the teachings of the Bible, both in the conduct of our employees and in the Biblical messages we send into the world. Therefore, the programs sent out by radio broadcasts, the Internet, etc., are constantly reviewed to make certain that the messages being aired are faithful to the Bible.

At Family Radio, we emphatically teach that the whole Bible is the Word of God. We believe that in the original languages in which the Bible was written, every Word was from the mouth of God, and consequently, is never to be altered and must be obeyed. The Bible alone, and in its entirety, is the Word of God. Therefore, we reject the phenomena of tongues, visions, voices, etc., because they have no part in the true Gospel since the Scriptures have been completed.

On Family Radio, we clearly teach the Biblical truth that all mankind are sinners and, therefore, are subject to God's righteous wrath. We further teach the sad truth that because man by nature is spiritually dead, he will not and cannot come to God on God's terms. However, God in His wonderful love has chosen a people for Himself for whom the Lord Jesus Christ did all the work necessary to save. In God's own timetable, He applies the Word of God to their hearts and saves them. This is the Bible's grand message of salvation which Family Radio wishes to send to every nation of the world.

We also insistently teach the Biblical truth that at the end of the world, every human not saved must stand trial at the Final Judgment Throne before

Christ, who is the Judge of all the earth. Those who stand trial will be found guilty of their sins and will be sentenced to eternal damnation.

For most of the years of its existence, Family Radio served as a great help in building up local churches that were reasonably faithful to the Bible. This was so because the Bible indicated that the local congregations were a divine institution made up of those who adhered to the teachings of the Bible. These local churches were divinely mandated to send the Gospel into all the world.

Through intense study of the Bible, we at Family Radio understand that God is now revealing a great amount of Biblical evidence pointing to the all-important fact that the world has come very close to its end. Carefully studying the Bible has also shown that, in a sense, this end-of-the-world judgment has already begun because judgment must begin at the house of God (I Peter 4:17; Hebrews 10:30). Therefore, now that we have learned from the Bible that God's judgment is upon the house of God, which are the local churches and congregations, we are compelled to teach the Biblical truth that God has shifted the final task of world evangelism to individual Christians who are outside of a local congregation. In obedience to these Biblical teachings, Family Radio, which is completely outside of any church institution, and which is supported and administered by individuals, does teach that today, as we are heading for the end of this world's existence, we should not be a part of a local church.

However, we do emphatically teach the Biblical truth that God is still adding to His eternal Church. This eternal Church consists of people all over the world whom God has planned to save as they have or do come under the hearing of the true Gospel.

Therefore, Family Radio continues to send the true Gospel throughout the world by shortwave radio, by AM and FM radio, by the Internet, by satellite broadcasting, by TV, and by printed materials. Our constant theme is to encourage people to carefully read the Bible and to pray for obedience to the Word of God.
